President's Message

The Board held its regular monthly meeting on Wednesday February 8th.

We received a Financial Report, a Property Report and created the Architectural Standards Review Committee.

Financial Report – All the expenses for January were in line. The annual audit is currently underway and we should have the results by the March meeting.

The Mews has several new residents, and we are hoping to obtain their contact

information. **If you are new to the Mews or if you have updated information, please complete the form on the back of the Mews News to be sure you are on our E-Mail list. It will soon be our only method of communication.**

Property Report – Property Manager Roger Casalengo briefed us on some minor projects he would like to get underway. This includes drain cleaning, a fence on the berm, and other miscellaneous maintenance items. He is hoping that the Landscape Advisory Committee (LAC) will provide

additional maintenance and beautification feedback by March.

Also, we plan to trim our trees this year. As usual, if you have a tree that needs trimming, you will receive a notice and bill directly from the tree trimmer. However, we have noticed that several trees inside privacy fences at the rear of homes are in need of trimming. We would like to provide you with the opportunity to have these trees trimmed at the same time as we do the other trees. If you have an interest in having a rear tree trimmed, please contact Roger Casalengo (rocky6325@aol.com) expressing your interest.

Covenants Enforcement – The Board has initiated enforcement actions on homeowners that have failed to comply with the findings on the Spring 2011 report. If you are under an enforcement action, you will be receiving notification shortly. To get to this point is a serious matter. We encourage all homeowner's to quickly work to correct any deficiencies noted on their Spring letters, so that it doesn't get to the point of an enforcement action.

We plan to complete the Spring inspections earlier this year to allow for all homeowners to have some additional time to complete their work before the fall.

Lynn McDonald – A reminder that Lynn will be buried at Arlington National Cemetery on March 19, 2012 with a Mass at the Old Chapel on Fort Myers at 2:45 PM and internment after the Mass.

Lynn was under hospice care the last five days of her life at home. The care

was provided by VITAS, a large national organization. While VITAS is a for profit corporation, they do have a charitable foundation that:

- gives financial assistance to families whose needs fall outside the realm of hospice care
- sponsors conferences, scholarships and grants to improve end-of-life care in America
- increase awareness of the benefits and availability of hospice care
- provide grants for research aimed at improving pain management, family counseling and other aspects of end-of-life care

Also, we have members of the Landmark Mews community that are actively involved in the hospice and palliative care field on a daily basis. For these reasons, Marty has allowed me to invite the community to send a donation to the VITAS Hospice Charitable Fund in lieu of flowers and other remembrances. The Vitas Hospice Charitable Fund can be reached as follows:

Web:

https://vitascharityfunds.org/donation_form.html

Mail: The Foundation for End-of-Life Care

5430 NW 33rd Avenue
Suite 106
Ft Lauderdale, FL 33309

Phone: Toll free: 1-877-800-2951

Please indicate that your donation is in the memory of Lynn McDonald.

That is it for this month. The next meeting will take place on Wednesday March 14th at 7:00 PM at 6269 Chaucer View Circle.

Thank You!
Dan Aminoff, President

Driveway Replacement

We are trying to gauge the interest of any homeowner's that wish to have their driveway's replaced when we do concrete work this spring. If you didn't have a chance to get it done this past fall, this would be a great time to get it done. The more people we have the better the price will be. If you are interested, please e-mail Roger Casalengo at rocky6325@aol.com.

Please Slow Down

Please slow down while driving in the community and please obey the Stop signs. We have both children and the elderly living in the community, and it is simply not safe to drive fast on our narrow streets.

Reminder - Parking Policy

Please remember that the Landmark Mews Parking Policy has provisions for both residents as well as guests. Here are a few reminders:

1. Resident vehicles must display a Landmark Mews decal
2. Residents may not park in Visitors parking between 10:00 AM and 8:00 PM

3. Guests need to leave a note in their car as to whom they are visiting

Dominion Power Home Protective Services

Please be aware of the below services provided by Dominion Power. All are available at the monthly fees listed below.

In-home Plumbing	\$4.95
Electric Line Repair	3.50
Sewer Line Repair	5.25
Water Line Replacement	4.50
Preferred Restoration	1.75
	<hr/>
	\$19.95

Pet Waste

We have a pet waste issue in the community and it is an ongoing problem. Unfortunately, we also have a few Mews residents who are not diligent about picking up after their pets. The responsibility of owning a pet continues past your own walls. It is simply inconsiderate and rude to leave pet waste out in our public areas or worse, on someone's private property. Finally, it is not okay to simply let a pet out through your yard fence to take care of business and leave the waste. Thank you for your ongoing assistance with this issue.

Estate Sale

6333 Chaucer View Circle. Please call 703-370-1960

Board Meeting Dates and Host

March 14th, 7:00 p.m. at the home of Delia Riso, 6269 Chaucer View Circle.
